

PLANNED GIVING PROGRAM 2018

UNITING CHURCH IN AUSTRALIA - CANBERRA CENTRAL PARISH

Canberra Central Parish, comprising Wesley and St Aidan's congregations, is a growing, vibrant and richly blessed community with a heritage of first-rate worship, excellent facilities, caring community service and wonderful music. We have achieved this through the faithful stewardship of many generations of God's people.

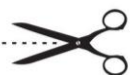

Why a Planned Giving Program?

The funds we receive to support the ongoing mission of our ever-widening Church community are those so generously contributed by our members through their giving, either to the Open Plate Offerings or through pledging to our Planned Giving Program. Pledging to our Planned Giving Program greatly helps our Joint Church Council to better plan and budget how we meet not only the immediate and future needs of our congregations but also our contributions to the wider work of the Church and the needs of those in less fortunate circumstances than our own.

How a Planned Giving Program Works

Once you make a pledge, our Recorder can help you keep track of your giving, either by issuing you

with a set of dated and numbered envelopes or by creating a regular Direct Debit transfer from your bank account to the Church's account. Both options can be for giving at intervals of your choosing. With the numbered envelopes, you place them with the pledged amount in the offering plate during the worship services. If you have chosen the Direct Debit transfer you may use the direct debit cards to place in the offering plate – these cards are available from the Stewards. The Planned Giving Program is strictly confidential and only the Recorder knows your individual commitment and can provide you with a progress report on your actual giving. For administrative workload and cost reasons, the church prefers the bank Direct Debit method of giving.
